Committee Newsletter Sept 2022

Dear Parents and Carers,

We hope you enjoyed the summer holiday period and many lovely memories were made. Also, a warm welcome to those new families that have joined the Pre-School. We hope that your child enjoys their time with us.

The committee were involved with the 'stay and play' sessions at preschool during the summer holidays and it was great to see the children catching up and having fun with their friends.

The playgroups new building has now been here for a year! We continue to be grateful for all the support offered for the numerous jobs and projects that need doing. If you have any handy skills or can give any time to support the maintenance of the preschool, please let us know.

The garden has taken the lead with the committee time with planting, building and changing the site to suit the needs of the children's interests.
